Raquel Lidsky

NOV 8, 1935 - MAR 21, 2026

Raquel Lidsky, known lovingly as "Raquelita," passed away on March 21, 2026, in Clarksville, Tennessee, after a long and courageous battle with dementia. She was 90 years old. Raquel was born on November 8, 1935, in Havana, Cuba, where she grew up and built the foundations of a remarkable life. In 1958, she married John G. Lidsky in Cuba, and together they embarked on a journey that would eventually bring them to the United States. Raquel assimilated beautifully into her new country, learning English and throwing herself into the workforce with the kind of determination that defined everything she did. She held numerous jobs over the years, but it was her entrepreneurial spirit that truly set her apart. Raquel built a very successful sunglasses business, earning a well-deserved reputation as a sharp, business-savvy woman who could hold her own in any room. Above all, Raquel was a devoted mother. She poured her heart into raising her only son, Nathan, who became the first in the family to enter a professional career, a source of immense pride for her.

Those who knew Raquelita knew a woman of extraordinary work ethic and fierce independence, but also of great kindness. She had a generous spirit and a warm way with people that made everyone feel welcome. She loved listening to music, especially the romantic songs of Christian Castro and Alejandro Fernández, which could always lift her mood. She loved her coffee, and she loved gathering with friends for spirited games of Rummikub, where laughter and good company were never in short supply.

Raquel is survived by her beloved son, Nathan (Alexia) Lidsky and grandsons Jonathan, Eric and Dylan, who will carry her strength, her resilience, and her love forward.

May her memory be a blessing to all who knew her.

A Graveside Service will be held on Sunday, March 29, 2026, at 11:00 a.m. at Lakeside Memorial Park and Cemetery, 10301 NW 25th Street, Miami, Florida. Family and friends are welcome to

Ten minutes ago I saw you. You were standing by the door. You gave me the feeling, the door had no ceiling at all. Rest now, Raquelita. You have earned your peace

She would sing to her grand babies. She called me on my birthday and sang "happy birthday" in beautiful Spanish.

My heart aches for not seeing you before you left but sometimes we cannot control things. You reached out to me and left me a message about a year ago that I will cherish forever my dear Raquelita! May you rest in peace and will forever be remembered. Love you always! Maria Que bola!! 😊

I will be forever grateful for the times we visited at Brookdale these past two years. We got to know each other well, and I so enjoyed my time spent with you. Your sweetness and sense of humor as we would laugh reminiscing about the funny things my late dad would say, your stories of growing up, our families, and a host of other things. You loved to visit with my granddaughter Lainey, and my dog Oso and you really loved your milkshakes! These memories I carry in my heart. You were so loved and you will be so missed. "This is what I ask for you: That in the darkness, there be a blessing. That in the shadows, there be a welcome. That in the night you be encompassed by the LOVE that knows your name." Rest in peace, my friend. Eva Meyer

Raquel loved the flag of her beloved country Cuba. She had it on display at the window looking to the front of her apartment so that everyone could see. We all knew about her accomplishments as a businesswoman in the United States and loved sharing time and laughter with her. She will be greatly missed. Our condolences to Nathan, Alexia and family. Pilar Grajales and son.
